Correct that is the total for all the trees on the request.

Hi Paul

I seem to be looking at two different bids, both of which say total - - - so is the REAL TOTAL \$16,200?

Tree and Palm Trimming

Dear StayGreen,

We wanted to take this onset of Spring to say: Thank you very much for the landscaping services you provide us!

Your company has been invited to participate in our RFP, through which we are seeking qualified landscapers.

The intent of this RFP is to gather candidates who may trim two dozen trees and more than 240 palms in our district.

The attached RFP describes tree AND palm trimming duties, but separate bids should be submitted for each of the two.

Thank you for your time and consideration!

Best,
